

Electrical Address Project Sketches

Three Sketches must be produced and here is the marking scheme for each one:

1) L.E.D.'s must be on the sketch (#, depth, tool used, colour, location)	/3
2) Border and Overall size of plaque must be shown	/2
3) All depths of each layer must be described (use a legend, colours/hatching)	/8
4) Indicate where different tools will be used on your potential design	/4
5) Design degree of difficulty	/8
Total	/25
