- A reminder that all course selections will be finalized by the end of April. Please be diligent in looking over your son/daughter's courses to ensure accuracy and appropriateness of levels. Changes will not occur until the week of registration in August. Guidance is trying to be pro-active in avoiding long lineups at registration time. This will also ensure that a great timetable is created for all students at Eden. Your diligence is much appreciated.

### Other News:

Rob Haines, our esteemed caretaker, is the recipient of the Director's Recognition for Extraordinary Contribution Award. Not only is Rob instrumental in keeping our building healthy, even during our year-long renovations, he creates important connections with our students, and contributes positively to our community. Eden Congratulates Rob on this honour.

**Grapes of Wrath:** Whether they are relatives, friends, coworkers or acquaintances that have experienced the trials and struggles of the disease, nearly everyone has been touched by the pain of cancer. The Grapes of Wrath is a 5km run through mud and water, over barriers and through the valley all in support of the Canadian Cancer Society. Proceeds of the event go to local programs in the Niagara area.

Last year a group of 16 conquered the run, while raising money and having a great time. With the addition of Sharon Burns, our new Principal and cancer survivor, we are looking forward to more participants and making a bigger impact in our community. We hope to see students, parents and other relatives joining the Eden Flyers this year.

Information about how to register for this year's race can be found on the school website [eden.dsbn.org](http://eden.dsbn.org) or you can contact Mr. S. Thompson and Mr. S. Burns at Eden High School - 905-646-9884. We hope that you will join us for this fun and important event.
