ATTENDANCE POLICY

Absences

Parents or Guardians (or students over the age of 18), are to contact the school **each day** that a student is absent. Please use the SafeArrival system or telephone the school **prior to 8:10 am** at **(905)346-1304** to inform us of an absence. Please include **the grade the student is in and the reason for the absence** when leaving a message. If a phone call or SafeArrival is not possible, then the student must bring a note signed by a parent or guardian to the Attendance Secretary before being admitted to class.

You can sign your student out via SafeArrival, phone call or note. Information on how to sign up and use SafeArrival can be found at <https://dsbn.org/safearrival/>

Early Leaving / Signing Out

A student may sign out *only* if the student has a note giving the reason for the student being excused from school. In the case of a last minute appointment or emergency, a phone call from a parent giving the reason the student is being excused will be accepted. Students who have reached the age of 18 years may sign out on their own.

Extended Absences (Vacations, Conferences)

Dates of school holidays are published in this handbook. Please plan vacations that do not require students to miss school or exams. If this cannot be avoided, please submit a request for an extended absence to the office at least **2 WEEKS PRIOR**. Students are responsible for working with their teachers to complete missed work.

EDEN UNIFORM POLICY

Photos of uniform items and pricing chart are available on the Maddalena website which can be found on Eden's website at eden.dsb.org

By choosing Eden High School, students and their parents have made a serious commitment to education at a uniformed school. The uniform is a reflection of who we are, how we see ourselves, and how others see our school. The Eden uniform is to be worn well and consistently. This policy has been established and reviewed by a committee consisting of students, parents and staff after a long and thorough process of consultation. Uniforms are mandatory for students every day, for the entire school day and anywhere on school property. Maddalena Uniforms is the proud supplier of the Eden High School uniform.

Eden chooses to be a uniform school because it

- helps to establish a distinctive environment that focuses on learning and personal development
- diminishes the role of fashion in articulating a student's worth or importance

9 Important notes about uniforms:

1. Students must be in proper school uniform throughout the entire school day - upon arrival to school and until dismissal – including lunch and spares and exam periods, and whenever you are on school property or at school sanctioned events.
2. Students who are out-of-uniform will not be admitted to class and will remain in the office until proper uniform items are obtained from home or office loaners, or students may be sent home to retrieve uniform.
3. Every three years this Uniform Policy is revisited by a committee of staff, students and parents. The next revision will be completed by April 2022.
4. Clothing to be worn during a co-op placement is at the discretion of the co-op employer and the co-op teacher.
5. Students who play on school teams or are part of recognized clubs may not wear jerseys etc. on game days; however, they may wear uniform tops or club shirts (i.e. Link Crew, Student Council) with regular uniform pants, shorts or kilts on scheduled Spirit Wear Days. Wearing these clothing items at any other time will be considered a uniform infraction and students will be asked to change prior to being admitted.
*Special permission for students to wear team/club shirts may be granted with the permission of staff advisor and administration.
6. Students on field trips must wear their uniform "or better" (as designated by the teacher in charge of the field trip). Better than uniform means Business or Dress attire. Some field trips require athletic and/or outdoor clothing.
7. Students who continually challenge the uniform policy will meet with parents and administration to resolve the problem.
8. The administration's decision is final regarding the interpretation of all uniform regulations. From time to time students, due to health reasons, may need temporary exemptions from part of the school uniform and in this case should see an administrator.
9. Uniforms can be purchased through Maddalena's store at 22 Geneva Street, or through their website <https://www.maddalena-uniforms.com>.

CASUAL DRESS POLICY: (Out of Uniform Days)

Everyone has their own unique style and aesthetic. We celebrate students' individuality and respect their ability to express themselves. Our only expectation is that all students come to school dressed appropriately for a learning environment. When deciding clothing, we ask that all members of our school community are mindful of:

- Health and safety considerations
- The dignity and well-being of all students and staff (ie clothing that is free of inappropriate or discriminatory imagery or wording)

SPIRITWEAR DAYS

Spirit wear days are scheduled on the calendar or as designated by Administration.

- spirit wear is defined as a top/T-shirt/sweatshirt on which the school name (Eden) is printed which qualifies it as spirit wear. It could be from a club or team.

STUDENT COUNCIL

1. Purpose of Student Council

Student Council is an organization of student leaders which plans and coordinates activities for the purpose of developing “school spirit”. It is the setting in which student ideas and opinions about their school may be presented for discussion and action. Student Council also encourages students to act as vital members of the broader community through fund raising and the support of charitable and humanitarian causes.

2. President/Vice President

Student Body President and Vice President serve as the public “faces” of Student Council at various functions both inside and outside of school. These are positions which are determined through a school-wide election each spring in anticipation of the upcoming school year. The candidate with the most votes is declared President, while runner up in the balloting is named Vice President.

Students are eligible to campaign for these positions:

- if the following year they will be a grade 11 or 12 student.
- if they have a commitment to service.
- if they agree to conduct themselves in such a manner so they will be a positive example to other students.
- if they have a minimum 75% average and without course failures.

3. Executive/Departments

The Executive (Exec) consists of student leaders and their advisors. President and Vice President are the elected members. Plus, the Executive contains several members appointed by the staff advisors. In addition to being part of this small leadership group, Executive members each run their own departments, the responsibilities for which are described by these titles: Assemblies Coordinator, Fund-raising Coordinator, Publicity Coordinators, Spirit Coordinator and Athletics Coordinator. Students may apply directly for these positions, but often demonstrate their suitability for selection to the Executive by having first run for President. Members’ duties are as follows:

- attend Executive meetings to coordinate Student Council Activities.
- in co-operation with staff advisors, prepare and carry out Department Activities.
- meet regularly in their Departments and create opportunities for as many students as possible to become members.
- report to Student Council on the plans and activities of their Departments.

4. Committees

Committees change year-by-year, but presently include Spirit, Assemblies, Public Relation and Fundraising/Service332. Committee heads are selected by Student Council in September. Each Committee chair will:

- in co-operation with their staff advisor, plan and carry out Committee activities.
- meet regularly and create opportunities for as many students as possible to become members of their Committee.
- report to Student Council on the plans and activities of their Committee.

5. Council

Student Council meets biweekly and is attended by staff advisors, Executive and Committee members. Meetings consist of reports, discussion of activities and issues of importance to student representatives.

LINK is a program that connects grade 9 students with Sr. students in a mentorship role to help with their transition into high school. As the re-opening of school in September is a fluid process, we have not determined what the LINK orientation will look like, but if you’re in grade 9, we will do our best to get you connected as best as we can! The program will feature an opportunity to meet other grade 9 students, connect with a Sr. student mentor and take part in some fun activities and events. If you are a Sr. student interested in joining the LINK team, we will be reaching out over the summer with information on how to join the team and how training will take place. Until then, have a wonderful and safe summer! Remember, don’t try to be the best in the world, but try to be your best for the world!

SPIRITUAL LIFE CENTRE (SLC) AT EDEN

Eden is a unique school in that many students choose to attend because it offers the support and extracurricular programming of the Spiritual Life Centre (SLC). Regular attendance at their programming opportunities supports the values of the school, nurturing growth in every student's Mind, Body and Spirit. In choosing Eden, students and parents make a commitment to support these programs.

For more information on the programs and staff of the Spiritual Life Centre at Eden see the SLC website.

If your student has sustained a suspected or actual concussion while not at school, please contact the school, to make sure they are aware.

FIRE DRILLS/EMERGENCY EVACUATIONS/ LOCKDOWNS

We're committed to maintaining our schools as safe places for all of our students. To create and maintain a culture of safety, we practice both fire and lockdown procedures at several times during the school year. SPECIAL EDUCATION

Special education supports and programs are responsive to the strengths and needs of each student ensuring a successful learning environment for all. For more information please contact your student's special education resource teacher.

INDIGENOUS SELF-ID

The DSBN provides programs and measures to support all First Nations, Métis, and Inuit students. All First Nations, Métis, and Inuit students have the right to voluntarily self-identify so that they may receive supportive programming and instructional practices that better serve their learning needs. The first such measure in recognizing this right is to establish self-identification procedures to identify, collect, and aggregate student achievement data for students.

Secondary Student Handbook

Who Can Identify?

Any student of Indigenous ancestry, First Nations (Status, Non-Status), Métis, or Inuit can identify. This process is completely voluntary and confidential, and no proof of ancestry is needed.

How is the Data Collected?

Students can identify by filling in the student registration form or the student information update form any time during the school year.

What if I Do Not Wish to Participate?

Students and/or Parents/Guardians who do not wish to participate will not check off any box. The self-identification will remain open to all who attend the DSBN. You can activate self-identification at any time by requesting a student registration form or self-identification postcard from the main office.

For further information email: Indigenous@dsbn.org or call Indigenous Consultants at: 905-641-2929 K-8 ext. 52246, 9-12 ext. 52317

<https://www.dsbns.org/indigenous-education/>

FIELD TRIPS/EXPERIENTIAL LEARNING

Field trips and experiential learning provide your student the opportunity to learn outside of their classroom. When planning these experiences, we consider curriculum connections, safety of students and accessibility for all. We will work together to address any barriers to your student's participation.

USE OF TECHNOLOGY FOR LEARNING

To enhance the learning and empowerment of our students and maintain an effective and safe electronic learning environment, the DSBN requires that all students follow the rules and regulations set by the Ministry of Education.

REPORT CARDS/PARENT & TEACHER MEETINGS

Each semester, there are three reporting periods: progress report, mid-term report and final report. After the progress report, parents can meet with their student's teacher.

ACADEMIC INTEGRITY

DSBN schools strive to help students develop integrity, a strong work ethic, learning skills and work habits needed for success beyond school. Academic integrity means that students complete their own work, ask the teacher questions if they are unsure, and use proper citations when using another person's work for reference.

Plagiarism is when students claim that schoolwork, they have submitted is theirs, even when a part or all of it has been taken from an uncredited source.

Some examples are:

- Using a sentence word for word without citing the source
- Using diagrams, charts, graphics, without citing the source
- Submitting work by another person and claiming it as your own
- Paraphrasing without citing the source
- Copying and pasting from the internet

What is a Proper Citation?

A citation is when the student gives credit by including the name of the author, title of source, and location of the original source. An example is, "Trudeau, J. 2019. Statement by the Prime Minister on Earth Day. Accessed from: <https://pm.gc.ca/eng/news/speeches>"

CONSEQUENCES

Consequences for academic dishonesty are considered on a case-by-case basis. Teachers use their professional judgment in cases of suspected academic dishonesty. Consequences may include one or more of the following:

- Redoing part or all of an assignment
- Completing an alternative assignment
- A loss of marks
- A mark of zero
- Suspension

COMMUNITY INVOLVEMENT HOURS:

Every student who begins secondary school in Ontario is required to complete a minimum of 40 hours of community involvement to receive their diploma. This requirement encourages students to develop an understanding of the various roles they

Secondary Student Handbook

can play in their communities and to help them develop a greater sense of belonging within their communities.

Talk to guidance to learn more about how to earn and track your hours.

HONOUR ROLL

CODE OF CONDUCT

District School Board of Niagara (DSBN) believes that a school should be a place that promotes responsibility, respect, civility and academic excellence in a safe learning and teaching environment. A positive school climate exists when all members of the school community feel safe, included, accepted, and agree that it is the responsibility of all individuals to actively contribute to a positive school climate.

The DSBN believes that to foster a positive school climate that supports student achievement and well-being, a focus should be on prevention and early intervention strategies to address inappropriate behaviour. These standards of behaviour apply whether on school property, on school busses, or other transportation means supplied by DSBN, at school-related events or activities or in any other circumstance that could have an impact on the school climate.

The provincial Code of Conduct outlined in PPM 128, revised October 17, 2018, sets clear provincial standards of behaviour.

All DSBN schools will have a link to policy G-08: Code of Conduct for Schools on their website and if applicable, in their school agendas.

PURPOSES OF THE CODE

Subsection 301(1) of Part XIII of the Education Act states that “the Minister may establish a code of conduct governing the behaviour of all persons in schools”. Subsection 301(2) sets out the purposes of this provincial code of conduct, as follows:

1. To ensure that all members of the school community, especially people in positions of authority, are treated with respect and dignity
2. To promote responsible citizenship by encouraging appropriate participation in the civic life of the school community
3. To maintain an environment where conflict and difference can be addressed in a manner characterized by respect and civility
4. To encourage the use of non-violent means to resolve conflict
5. To promote the safety of people in the schools
6. To discourage the use of alcohol, illegal drugs and, except by a medical cannabis user, cannabis
7. To prevent bullying in schools
