

EDEN UNIFORM POLICY

Photos of uniform items and pricing chart is available on the Maddalena website which can be found on Eden's website at eden.dsb.org

By choosing Eden High School, students and their parents have made a serious commitment to education at a uniformed school. The uniform is a reflection of who we are, how we see ourselves, and how others see our school. The Eden uniform is to be worn well and consistently. This policy has been established and reviewed by a committee consisting of students, parents and staff after a long and thorough process of consultation. Uniforms are mandatory for students every day, for the entire school day and anywhere on school property. Maddalena Uniforms is the proud supplier of the Eden High School uniform.

Eden chooses to be a uniform school because it

- helps to establish a distinctive environment that focuses on learning and personal development
- diminishes the role of fashion in articulating a student's worth or importance

10 Important notes about uniforms:

1. Students must be in proper school uniform throughout the entire school day - upon arrival to school and until dismissal – including lunch and spares and exam periods, and whenever you are on school property or at school sanctioned events.

2. Students who are out-of-uniform will not be admitted to class and will remain in the office until proper uniform items are obtained from home or office loaners, or students may be sent home to retrieve uniform.

3. Every three years this Uniform Policy is revisited by a committee of staff, students and parents. The next revision will be completed by April 2022.

4. Clothing to be worn during a co-op placement is at the discretion of the co-op employer and the co-op teacher.

5. Students who play on school teams or are part of recognized clubs may not wear jerseys etc. on game days; however, they may wear uniform tops or club shirts (ie. Link Crew, Student Council) with regular uniform pants, shorts or kilts on scheduled Spirit Wear Days. Wearing these clothing items at any other time will be considered a uniform infraction and students will be asked to change prior to being admitted.

*Special permission for students to wear team/club shirts may be granted with the permission of staff advisor and administration.

6. Jewellery must be neat, respectable, inoffensive and non-distracting. Jewellery (including spiked bracelets and necklaces, earrings, chains and expanders) that is considered to be a safety hazard or inappropriate, is not permitted.

7. Students on field trips must wear their uniform “or better” (as designated by the teacher in charge of the field trip). Better than uniform means Business or Dress attire. Some field trips require athletic and/or outdoor clothing.

8. Students who arrive at school without a uniform piece may borrow that piece from the office before going to class. Students who continually challenge the uniform policy will meet with parents and administration to resolve the problem.

9. The administration’s decision is final regarding the interpretation of all uniform regulations. From time to time students, due to health reasons, may need temporary exemptions from part of the school uniform and in this case should see an administrator.

10. The school uniform store is open throughout the school year on Thursdays from 11:00 am to 1:00 pm. Uniforms can also be purchased through Maddalena’s store at 22 Geneva Street, or through their website <https://www.maddalena-uniforms.com>.

CASUAL DRESS POLICY: (Out of Uniform Days)

Everyone has their own unique style and aesthetic. We celebrate students’ individuality and respect their ability to express themselves. Our only expectation is that all students come to school dressed appropriately for a learning environment. When deciding clothing, we ask that all members of our school community are mindful of:

- Health and safety considerations
- The dignity and well-being of all students and staff (ie clothing that is free of inappropriate or discriminatory imagery or wording).
