February, 2019

Dear Valued Community Member/Business Owner,

Graduation is an exciting time for our grade 12 students. They have been busy researching and planning their next steps in order to fulfill their goals and dreams. As you may know, the cost of post-secondary education is rising every year and the Eden Graduation Committee would like to reward as many graduates as possible for maintaining academic standing but also for being active in the various opportunities we have at our school such as Clubs, Sports Teams, Contests, Creative Arts, Community Service, Leadership and so much more.

As our school continues to grow, we want to ensure we can reward as many graduates as possible, and we need your help to do so.

Please consider making a monetary donation in any amount to be added to our scholarship fund.

You can make a donation through our Eden website by clicking here: [Donate](#) or by going to [Eden.dsbni.org](http://Eden.dsbni.org) and click on Support your school, then donate and make sure you click on the Scholarship Tab.

Anyone making a donation of \$200 or more is encouraged to contact Annie Mercier-Beaudoin at 905-646-9884 to discuss possible scholarship criteria.

Your investment in Eden Students is appreciated. Please call me or Guidance Program Leader, Annie Mercier-Beaudoin, if you have any questions.

Sincerely,

Sharon Burns  
Principal
