

Application for School Council

The School Council discusses and supports key issues in education and matters that impact the achievement of student success. Its primary purpose is to advise the principal on matters impacting student achievement. There are many ways parents/guardians can become involved, both in the home and in the school that can have a positive impact on student learning and the school environment. Your participation provides you with the opportunity to be more directly involved in the education of your child(ren).

Please consider a parent/guardian position on the Eden School Council. Meeting dates and other important School Council information will be found on our Eden website, under "Councils".
