

EDDEN HIGH SCHOOL

April 2nd, 2026

Flyers and Flyer Families,

1) **Mid-Term Reports**

Student Midterm Reports will be sent out by the end of day on April 21st. Students and parents can access the report through both the Student and Parent Portals.

We encourage families to connect with teachers with any questions about academic progress or supports so that we can continue to work in collaboration.

2) **Hall Mentor**

Safe Schools has provided us with a Hall Mentor on a part time basis who will be starting after the long weekend. The role of the Hall Mentor is to provide a positive and respectful approach to supervising and supporting students. He will be present in the halls a few days a week to support the school staff by providing supervision and encourage adherence to established routines, rules and expectations while promoting an inclusive and respectful school environment.
