

EDEN HIGH SCHOOL

June 1/26

Flyers and Flyer Families,

1) End of Year Updates

The end of the school year is fast approaching, so I wanted to clarify some important dates. The last day of regular classes is June 17th and the last day for SSTC classes is June 19th. On June 17th and 18th all Grade 9 math students will be writing their EQAO Math Assessment. Your student's teacher will be reaching out with more specifics. Also on June 17th, Grade 12 period 4 classes who have an exam, will write their exam during period 1. For all other students, we have included a link to outline the exam schedule for this semester. If highlighted, your student will have an exam, if not, the classroom teacher will communicate if students need to come in. [Please see Exam link.](#)

2) Flyer Fest

Last week was our annual Flyer Fest. A huge thank you to everyone who donated to our Rankin Cancer Fundraiser and who encouraged their students to donate as well! Eden raised over \$6000 and every dollar will support Niagara Cancer patients! It is wonderful when we come together to make a difference in our community! Way to go Flyers!

We would like to send a huge thank you to School Council for their generous donation which made it possible to have rentals from Niagara Inflatables. Students had a great time enjoying this part of the day.

3) End of Day Activities

We have noticed an increase of students in the building after hours. While we understand that school activities run later in the day, once they are finished there is no longer supervision. Please be mindful of this and arrange transportation in advance or please leave after activities conclude.

4) **Being a Respectful Community Member**

As students head into the community at lunch, please remember to be respectful neighbours. The park on Linwell is **private property**, and students are asked not to gather there. Thank you for helping us keep positive relationships in our community!
