

EDDEN HIGH SCHOOL

May 15/26

Flyers and Flyer Families,

1) **Flyer Fest**

Flyer Fest is taking place on the afternoon of May 26th and will include Food trucks, bouncers and games. This event is our largest fundraiser of the year with proceeds going to the Rankin Cancer initiative. Permission to participate will be available through school cash online. We are requesting that families donate to this fundraiser. If every student is able to raise \$10 we will be able to reach our goal of \$10,000.

Students can be out of uniform ONLY if they are wearing their grade colour. **The grade colours are: 9s- Green, 10s- Blue, 11s- Purple, 12s- Pink.**

Food Trucks that are coming are: 905 Hotdogs, Cool Jim's Ice Cream, Dippin' Dots and Runaway Greek and will be available from 11:25am-2:00pm.

Students will go to period 3 for attendance and the teacher will bring them outside to participate in activities run by Student Council, followed by time to participate in the following; Bouncers/Game, CanJam, Hackey Sack, Spike Ball, Corn Hole, and Board Games (Indoor). At 2:00pm, Student Council is organizing a Staff vs. Student Soccer Baseball Game.

We would like to send a huge thank you to School Council for their generous donation towards the bouncers from Niagara Inflatables.

2) **Uniform Reminder**

We have noticed a large increase in the number of students coming to school wearing sweatpants and are asking that caregivers review the uniform policy at home to help support our efforts at school.

3) **Being a Respectful Community Member**

As students head into the community at lunch, please remember to be respectful neighbours. The park on Linwell is **private property**, and students are asked not to gather there. Thank you for helping us keep positive relationships in our community!

4) **Special Education Transition Fair**

The DSBN will be hosting a Transition Fair on May 20, 2026, at Eden High School, from 1:00–3:00 p.m. and 4:00–6:00 p.m. This event is aimed to connect families with essential services and community supports before students exit secondary programming. Please see the [flyer attached](#) for more information and to register.
