Testing Dates:

What You Need to Know:

- Grade 10 & previously eligible students writing the OSSLT will complete the test on school Chromebooks.

- The school library will be closed to students in the mornings on testing days.

How We've Been Preparing Students

In the months leading up to the OSSLT, our staff has worked hard to ensure students feel ready and supported:

- **Grade 10 teachers** have integrated reading and writing tasks similar to OSSLT questions into their lessons.
- **Practice sessions** have been completed in class to familiarize students with the test format and reduce anxiety.
- **Grade 9 and 10 classes** have focused on building strong literacy foundations to support success.
- **School-wide collaboration** has ensured students receive consistent strategies and encouragement across subjects.

Thank you for supporting your child as they prepare for assessment. If you have any questions, please contact the school office.
