Flyers and Flyer Families,

I have a few updates for you as we head into the final weekend of the summer break.

1) Construction

- a) We have received information from the City of St. Catharines that there will be delays on many of the local roads at various times between now and Spring 2026
- b) The following areas have been noted:
  - i) First Street Louth (approx 170m South of St. Paul W to Rykert St.)
  - ii) Fifth Avenue Louth (Fifth St. Louth to Third St. Louth)
  - iii) Berryman Avenue (Welland Ave. to Yale Cres.)
  - iv) Linwell Road (Lake St. to Geneva St.)
  - v) Grantham Ave (Scott St. to Carleton St.)
  - vi) Lakeport Rd. (Ontario St. to Lake St.)
  - vii) Geneva St. (55m north of Lakeshore Road to Evangelista Court)
  - viii) Adams St. (Yates St. to Ontario St.)
- c) Please keep this in mind as you plan your transportation to and from school.

2) From the Guidance Department:

- a) Guidance has been working through the appointment list and making as many changes as possible.
- b) Please note that Eden is a very full school and it is difficult to accommodate many requests as most of our classes are at capacity.
- c) We will continue to meet with students for timetable changes during the week of Sept 2nd
- d) It is very important for all students to follow their timetable at all times, even if they are waiting for a guidance appointment and hoping to change a particular course
- e) [Guidance Appointment Request](#)

3) Photo Day

- a) Friday, September 5th is Photo Day
- b) The flyer from the provider (Pegasus) is attached

- c) Please note the requirement of having your timetable (printed, or on a device), or student ID to show who you are

Have a great long weekend. All of us at Eden are looking forward to welcoming students back on Tuesday.
