Flyers and Flyer Families,

1) **School Council**

We had our introductory School Council meeting this week. The slideshow is available on the school website for those who were not able to attend. For those wishing to join council this year, please fill out an application available on the School Council tab of the webpage and submit a bio that outlines a sentence or two about you and why you would like to join council to sandra.orr@dsbn.org by tomorrow. Our first meeting will be Monday, October 5th, at 7pm in the library.

3) **Non-Uniform Day**

Tomorrow, Friday, September 25th will be our first non-uniform day.

4) **Football Game, Sept 25, 2026**

Tomorrow is also our first football game on the new field, and we are excited to welcome Sir Winston Secondary. To help ensure a safe and enjoyable experience for all spectators, the track will be closed during the game. We kindly ask guests to remain in the stands or in the designated grass viewing areas along the sidelines. Thank you for your cooperation, and we look forward to seeing our community come together to support our team.

5) Student Parking

We want to remind students that student parking is located at the back of the school. The front lot is for staff parking only.

6) Attendance

Thank you for being diligent in attendance reporting this semester. In the event of any discrepancies you find in attendance, the first step would be to reach to the classroom teacher to verify as they have the most accurate record and can make any adjustments.

7) Guest Speaker – Building Belonging

As part of our ongoing work to build safe, welcoming, and inclusive school communities, we are pleased to let you know that on October 15, all DSBN secondary students and staff will participate in a live virtual keynote presentation by Dr. Andrew B. Campbell (Dr. ABC).

Dr. Campbell will speak with students about belonging, community, and the role each of us plays in creating and maintaining schools where everyone feels valued, respected, and able to learn, achieve, and thrive.

This presentation is part of broader learning taking place in our secondary schools throughout the fall. Students will be considering what helps people feel a sense of belonging at school and the individual and collective actions we can take to contribute to a positive school community. This work supports DSBN's commitment to building a 100% Culture – a school culture in which every student is known, valued, supported, and able to succeed.

The 20-minute presentation will take place during the instructional day and will be supported by school staff.

If you have any questions about the presentation, please contact the school.

Thank you for your continued partnership in helping us build safe, welcoming school communities where all students can learn and thrive.

Have a great evening!

S. Orr, Principal, Eden High School
