

EDEN HIGH SCHOOL

Sept. 4/26

Flyers and Flyer Families,

I wanted to provide a few updates that will pertain to school start up.

1) **Photo Day**

Photo day is Friday, September 5th. Although Friday's will now be our Spirit Wear Day, we recommend you wear your Eden uniform for pictures. Students will be called out of class in groups corresponding to their grade, and first letter of their last name.

2) **Uniform Reminder**

As we start the new semester, we are asking that caregivers review the uniform policy at home. Key things to review are that; students are required to be in uniform every day unless otherwise stated, students cannot wear hats except during non uniform days, and for safety reasons, backpacks are not permitted in classrooms except for extenuating circumstances.

3) **School Council**

The first school council meeting of the year will be held on Monday, September 21st at 7pm in the library. This session will be a bit different from most meetings. It's focus will be on understanding the role of School Council, elections and the structure of the group. Please respond to Mrs. Orr if you are planning to attend so we can ensure we have a suitable space for the size of the group.

4) **Transportation – Parking Lot and Student Drivers**

Just a reminder that school begins at 8:45am. Our parking lot does get busy so plan ahead. To ensure safety and traffic flow, please follow the one-way signs during drop-off and pick-up. You may enter the front of the school from Lake Street and exit onto Linwell Street. Please do not stop students off in the circle in front of the school as this is a bus loading

zone. You may enter the back of the school from Linwell Street and exit onto Lakeport Road.

If you are a legal student driver and would like permission to park on school premises, please fill out the following form: <https://forms.gle/krVeZTUer3HgCV3E8>

Once the form has been filled out, you can pick up a parking pass to display in your vehicle from the main office. Please remember that student parking is a privilege and that safe, careful driving is always the expectation.

5) Locker Combination Registration

Families are asked to please fill out the following form with locker combination information: <https://forms.gle/4nr6PvR6ZW8RUjHK6>

Please fill this form out before the end of next week. Your student's locker number is now available in Aspen.

6) Students with Prevalent Medical Conditions

Students with medical conditions must complete the appropriate forms and submit to the office. Forms can be found on the DSBN website.

7) Cell Phones and Vaping/Substance Use – Provincial Code of Conduct

Students must keep cell phones on silent or turned off and stored out of view during class time unless explicitly permitted by a staff member for educational purposes. These expectations help maintain a focussed, respectful learning environment for everyone. Students cannot possess or use tobacco products, e-cigarettes (vapes), nicotine, cannabis, or other controlled substances at school.

IMPORTANT UPCOMING DATES

First day of classes – Tuesday, Sept 8th

Photo Day – Friday, Sept 11th

School Council Meeting – Monday, Sept 21st 7:00pm

Have a great evening!

S. Orr, Principal, Eden High School
