- c) AI
- d) Literacy Tools for the Content Areas

6) Communication

- a) Letters home and website
- b) School Council Agendas and Minutes
- c) Fundraising and Financials for School Council

Feedback Question:

Eden Prom - currently community run (non-school Prom)

A school Prom would allow the school to support financially when needed, advertise and communicate to all families, arrange security for the event. It would be held late May/Early June depending on availability of venues.

As a parent/community member - what are your thoughts on this potential change?
